

A Family Medicine Without Alcohol

Ayer's Sarsaparilla is a tonic and alterative, free from alcohol. What is a "tonic"? A medicine that imparts strength or tone; a medicine that builds up, gives vigor and power. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Ayer's Sarsaparilla does all this without stimulation. Ask your doctor if a family medicine, like Ayer's Sarsaparilla, is not vastly better without alcohol than with it.

Ayer's Sarsaparilla

SPORTS

COMPLAIN OF HANDICAPS

The second round of the E. O. Hall cup tennis tournament was practically concluded yesterday afternoon, only one match being left over for this afternoon, and so far, two of the three back-markers have qualified for the semi-finals, while the third is still in the running and has a very good chance of joining the other two.

Four of the five men in receipt of points and seven of the eight men on scratch have been knocked out already, but not one of the back-markers has met defeat. From this it might well be argued that the handicappers were too severe on the medium players, and such an argument could be well sustained, for there are only two strokes between the trio on the back mark and the three limit men. When the Wall cup closed with only eight competitors it was claimed in some quarters that the lack of interest in the competition was due to the fact that the competition had developed into a scratch man's handicap, meaning, it is presumed, that it was a gift for the back-markers all the time, and it seems as though a similar complaint can be made in connection with the E. O. Hall cup. Certain it is that less entries were received than expected, and the result of the draw for the first round can hardly be satisfactory. It is worthy of note that, as the draw resulted, it was a matter of impossibility for any one of the three back-markers to meet either of the other two until the semi-finals were reached, while in the case of Castle he would have to reach the final stage in order to try conclusions with either Nowell or Atherton Richards.

The two unfinished games in the first round were completed yesterday and in each case the winner of the first set won the unfinished set, Sinclair taking the first two games against Collins, and Richards beating Gordon after six additional games were played.

Only three matches were played in the second round. In the match between Al Castle (owes 15) and S. A. Baldwin (receive half-15), there was stirring tennis, and the match went the full three sets before Castle won out, 6-2, 3-6, 7-5. W. A. Wall (receive 15) defeated K. B. Barnes (receive 15) after a good struggle, 6-3, 7-5, and A. M. Nowell won two straight sets against P. R. Bartlett, 6-2, 6-3. The match between Bob Sinclair and Atherton Richards was not played, but will be fought out on the Beretania courts at two o'clock, after which the winner will meet A. M. Nowell in one of the semi-finals at four o'clock. Al Castle and Wall also play off their semi-finals on the Beretania courts.

SPORT NOTES

First Rugby Game.

It is anticipated that there will be a good muster of footballers on the Mollili ground on Saturday afternoon at 3:30 to commence rugby practice. The ground has been loaned to the Rugby Association by the courtesy of C. G. Ballantyne, manager of the Rapid Transit Company, who is ever willing to help clean sports along.

Tonight's Basket-ball.

Tonight the first game in the basket-ball series between the Y. M. C. A. and the Kalihi team will be played at Kalihi, commencing at eight o'clock. Before the game it will be decided whether a series of three or five games will be played. Half the games will be played on the Kalihi floor and half in the Y. M. C. A. gymnasium, while the odd game, in case of a tie, will be played on neutral ground. The line-ups will probably be: Kalihi—Zerbe (captain) and O'Sullivan, forwards; W. Rice and Morse, guards; and Cannon, center. Y. M. C. A.—Hogan (captain), center; Marcellino and Louis, guards; G. Dwight, Ferreira, Larimer and Silva, forwards.

Chinese-Americans Practice.

The Chinese-American Stars baseball team will commence practice on Tuesday next at the Athletic Park. The boys have already done some trial work but not as a team. It is expected that the aggregation will show good form right from the very jump, as individually the boys are in good nick.

Saturday's Track and Field Meet.

The usual events for track and field meets are to be contested on Saturday when the St. Louis, Kamehameha,

FORMING NEW BASEBALL NINE

Tony Marcellino is almost through with his task of organizing a new baseball nine to take the place of the Chinese Athletic Club, which last Monday resigned from the Oahu League. Already Marcellino has twelve men signed up and five more will be signed within the next couple of days. From the old league Marcellino has Johnny B. Williams, Ed Sue Pung and B. M. Sumner, but under the restrictions imposed none of these can pitch in the Oahu League. Bob Chillingworth, an old league player, in whose case an exception has been made, Wm. Hayes and Pat Sullivan are also signed up, as are Hang Chack, F. Ah Toon, C. B. Farm, Apau Kan, and Tom Yen. Others whom it is expected will be signed shortly are Ahana, Ah Tung, J. Amoy, L. Lo and Tan Yen.

It will be seen that, with the exception of the big league players and Hayes and Sullivan, the players are from the Chinese Athletic Club which closed down last Monday. These lads are good players, but not strong enough to stand alone, and as the rules of their organization did not permit of outsiders joining, the baseball team was disbanded and the Chinese-American Stars Baseball Club organized. The emblem of the new club will be a white star with the initials C.-A. worked in.

Marcellino has secured a good aggregation, and some fast work may be expected from this bunch. Though it is generally considered that Marcellino will manage the team, he states he will not do so, as he will continue in his position as manager of the Oahu League, and hand over the Chinese-American Stars to some one else as soon as he has them organized.

and McKinley High School boys will assemble on Alexander Field. Good sport is promised.

Ewa Beaten at Tennis.

The two Ewa competitors, T. D. Collins and J. O'Dowda, have now been knocked out of the E. O. Hall cup competition. Last year the Ewa representatives filled first and second places but this year the handicappers took no chances with them. Young O'Dowda is now at St. Louis College and does not get much practice but nonetheless he made a good showing against Al Castle. Collins succumbed to Bob Sinclair only after a severe struggle, the second set going to eighteen games.

Sunday's Ball Games.

Sam Hop has two games of ball for Sunday afternoon at the Athletic Park between the Asahi team, winner of the 1910 Oahu Junior League, and the Aala nine, which two years ago won the junior league. For the past season little has been heard of the Aala boys but it is claimed by Sam that they have been quietly practicing and are in the pink of condition, fit to give the Asahis a hard fight. The preliminary game also promises well, for the match between these two teams last Sunday was good. The first game between the Honolulu Japanese and the Japanese High School commences at one-thirty and the second game at about three o'clock.

California Welcomes

Japanese Ball-teams. The Waseda University ball players will cross bat with the Berkeley University on the 29th inst. and when the Kelo University team arrives in California next month it will play Berkeley on May 6th. The Japanese teams are promised a warm reception in California. The visiting teams will be taken to places of interest around the bay region and will be entertained at numerous fetes which will be given in their honor at the University of California. The International club of the university is planning to hold a reception for the visitors where they will be afforded an opportunity to meet the students of the university. During their stay on the campus the Japanese students will visit the different classes of instruction and will be allowed to inspect the mining, mechanics and engineering buildings.

Umpire's Firm Stand.

During the first San Francisco-Vernon game on the 29th ult., Umpire Finney showed his courage and his authority in the sixth inning when he broke what he believed to be a world's record by putting three men out of the game within a period of as many minutes. While this act was being performed, the stand and bleachers

were in an uproar and for a brief space of time it looked like a riot.

This remarkable scene was enacted in the sixth inning. With Carline on first base, Hop on third and Burrell at the bat, the double steal was tried. Hop slid into the plate spikes up and Schmidt was there to put the ball on him just in time to make the out. When the umpire called this play there was a general rush of Vernon players toward the plate.

Finney stood his ground and defied all comers. Bing, bang, biff, he ordered the three ringers, Hogan, Burrell and Burrell, out of the game. There was an air of determination in the little fellow's voice, and the offenders did not even look behind them. They walked off the field as meek as so many lambs, while the crowd hissed and hooted.

A Boy Wonder.

MODESTO, March 29.—Ernest Bashor, 18 year old pitcher of the Modesto high school baseball team, is pronounced a comer by those who have seen him in action. In the three games of the San Joaquin Valley amateur athletic league championship series played to date, Bashor has a record of 41 strikeouts. He allowed only 11 hits and the opposing teams secured seven runs. He struck out 15 batters in both the Newman and Turlock games and 11 in the Merced game. The Turlock game was a no hit, no run victory. Bashor has batted .400 to date, and has a perfect fielding score. The youngster has a delivery that is extremely puzzling.

Deacon Van Buren is one of the first ball players in the Coast league to be injured by a pitched ball this year. He was hit in the side by a fast shot hurled by Pitcher Pernoll of Oakland on March 21st, and upon examination by a physician it was found that two ribs were broken.

New Automobile Records.

The mile automobile record, straightaway from flying start for stock cars, held by Barney Oldfield, was broken at Pablo Beach, Florida, on March 30th, when Wilcox in a National car went the distance in 40.32. Oldfield's mark was 40.35, made in a Knox last year on the Ormond-Daytona course.

Driving his Buick Bug in the 20 mile free-for-all, Bob Burman drove the 20 mile race in 13 minutes, 11.92 seconds, or at the rate of 91.06 miles an hour. The previous record for more than 10 miles was made by Lancia in a Fiat at Daytona, when he covered 15 miles at the rate of 90 miles an hour on a straightaway. Burman's course included two turns, which lowered his record greatly.

Preparing for Tennis Championship.

Though the E. O. Hall Tennis competition has only just commenced the officials in charge of the championship are already looking ahead for a suitable date to begin operations. It is expected that notices will be sent out next Tuesday calling a meeting of the Association in order that intending competitors may receive as much notice of the championship tourney as possible.

SCHOOL MEET TOMORROW

The track and field meet between teams from St. Louis College, Kamehameha and the McKinley High School promises to provide good sport on the Alexander Field tomorrow afternoon, as reports from the various schools are good. The teams have been hard at work lately and the boys are in good condition to compete with each other.

Bill Rosa of the High School will be one of the stars in the sprints and he expects to extend the Kamehameha boys to the limit. Ching Hung, another High School runner, will enter the 220 yards dash with Rosa and both have done good times over the furlong of late. Young Dwight is the High's first string for the mile, but it is questionable whether he will be able to hold the Kamehameha crack, Benjamin.

ROYAL BAKING POWDER
Absolutely Pure
The only baking powder made from Royal Grape Cream of Tartar
No Alum, No Lime Phosphate

The St. Louis team is a completely new one, but the lads hope to spring a series of surprises on the others. For the boys representing the St. Louis College are strongly fancied by their supporters. Thomas Hoss and Forrest are two of the stars. The former is an old Kan. boy and is good at the jumps.

Kamehameha will be at full strength and are not at all anxious about the results. Harold Godfrey and C. Hosen are in perfect condition and Benjamin is fit to run for a kingdom. E. Noah is the first string for the hurdles and Manoha will be out in the sprints. C. Hosen is slated to compete in the broad jump and Ben Pahlia will have a shot at the hurdles.

From the line-ups interesting sport is anticipated.

THE SPORTING CALENDAR.

- April 14—Tennis: Semi-finals in E. O. Hall competition, Beretania Courts.
- April 14—Basket-ball: Y. M. C. A. vs. Kalihi, at Kalihi, 7:30 p. m.
- " 15—Track Meet, McKinley High School, St. Louis and Kamehameha.
- " 15—Rugby football practice at Mollili, 3:30 p. m.

Stenciling Have you Tried It?

If you have never tried it, you most certainly should, it is the latest idea in decoration and fancywork. Stenciling on fabrics gives very pleasing results, as you can make such attractive presents for your friends or you can beautify your home with artistic curtains, pillow covers, table covers, etc.

Stenciling is not hard to do, you can learn how very easily. The chief requisite is to get the right materials to work with—colors that will be clear and brilliant and will remain fast in the fabric when it is washed.

SHERWIN-WILLIAMS STENCIL OUTFITS

are complete in every respect and contain stencils, brushes and colors in tubes that are of the proper consistency for stencil work. Come in and look over our stock or write us for pamphlet describing these outfits.
